 He also reported that he had undertaken some litterpicking on The Hill, as far as was safe to do so. As well as a large quantity of general rubbish, around 8 hubcaps had also been retrieved for disposal. He also reported that the HTCC hedge had been trimmed back.
 - Cllr Thomas gave an interim update on the result of the concerns raised by two residents regarding disturbance from the HTCC. As a result, a hard copy survey had been circulated to circa 32 properties along Church Street and The Hill. 17 responses were received by the deadline for return (Monday 12th December)
 - 2 properties who had previously written to express concerns about noise did not participate in the survey, however their opinions would be considered
 - There was a range of feedback provided, with 2 respondents scoring noise disturbance as 'frequent'. 15 respondents reported frequency as never, rarely or occasionally
 - 2 properties reported the impact of noise as 'high'. I5 respondents reported the impact as 'none, very low or low'. No respondents reported the impact of noise to be 'unacceptable'
 - A number of respondents provided additional comments/suggestions and there was strong support for the Community Centre Next steps
 - HTCC Trustees would review the feedback and consider appropriate action at their next meeting on 23rd January 2023
 - Whilst the overall results of the survey did not suggest that noise was a problem for most participants, they recognised that it was an issue for a small number of households and this would be taken into account
 - It should be noted that the recent additional measures taken to limit noise at the Centre had had an impact and the earlier finish time had resulted in at least two potential bookings choosing to hold their events elsewhere. The Trustees were not aware of any complaints through the Autumn/Winter to the time of the meeting.
- 86.3 Cllr Kitson thanked Cllr Thomas and the HTCC Trustees for their work on the noise mitigation.
 - Cllr Kitson also reported that there was a new tenant at the allotments.
- 86.4 Borough Councillor North had no updates relating directly to Hurstbourne Tarrant but wished to give a reminder that the Cost of Living Grant scheme was still open for bids, particularly from groups such as schools wishing to offer breakfast clubs, etc.

87. CLERK'S REPORT AND CORRESPONDENCE

- 87.1 The Clerk had received a request from a resident of Binley who ran the Under 9 Cricket Club in St Mary Bourne, to use the KGV field on some Sunday mornings between May and July, as many of the 140 participants were from HBT. The clerk explained that the game was using a soft ball, so there was no danger of damage to the HTCC or any other assets. Councillors agreed that this type of use of the recreation ground was to be encouraged and would welcome the club to use the field, subject to them making contact with the HTCC bookings manager to ensure that car parking would not interfere with a Community Centre booking.
- 87.2 The Clerk had been asked to inform councillors that the HBT5 multi terrain race was to take place on 29th April, and a formal request to use the whole recreation ground for this purpose (as the HTCC was booked). Councillors had no objection to this annual community event going ahead as usual.
- 87.3 The Clerk enquired about salt bin checks and if in their travels, councillors could update if any needed attention repair or refilling.
- 87.4 The defibrillator purchased using the donation from the Barber Charvet Trust had been installed at the HTCC. The Clerk wished to thank the HTCC trustees for allowing this to happen, and for their help and support with installing it. The Clerk would enquire with the RBL as to whether they were likely to give the same permission, with a view to purchasing a further defibrillator for the lbthorpe area.
- 87.5 Thanks were given to a resident for also litterpicking between Christmas and New Year, and thanks were received in from a resident for Councillor Thomas' efforts.
- 87.6 A swift response had been received from TVBC when a resident reported issues with an overflowing dog waste bin on KGV. They were also thanked for removing the litterpick rubbish at the same time.
- 87.7 A nasty pothole on the Ibthorpe Road with the Dines Close junction had been reported to HCC.
- 87.8 The Clerk reminded Councillors that 2023 was election year, and that she would be liaising with them regarding application forms towards the end of March.

88. FINANCE

- 88.1 On the day of the meeting, the bank balance stood at £49,195.50 including earmarked reserves of £22,987 (£14,263.90 to be paid out for KGV roundabout in February).
- 88.2 The clerk had circulated the payments made since the last meeting. Cllr Russell agreed them as an accurate record.

88.3 PRECEPT SETTING

The Clerk had received an application form from Test Valley Borough Council regarding the annual precept for 2023/24. Having considered the finances including forecast reserves and forecast spend to the end of the year, and the draft budget, Councillors discussed an increase based on rising costs (salaries, services and facilities etc).

Cllr Hedger noted that if the precept wasn't raised, reserves would need to be used to cover essential costs; the longer it wasn't raised (as it had remained at £15,300 for the previous 5 years), the greater the expectation would be that work by councillors and other volunteers with no labour costs would continue; and that there would be cost implications with assets requiring attention such as the HTCC access road.

Cllr Thomas noted that households' costs were also rising and this should be a consideration.

Cllr Russell noted that a rise of £2.22 was less than 5p a week for the services which were provided.

Councillors agreed to increase the budget by £1,026 which was the difference between the current year's budget and the budget for 2023/24. The precept had remained at £15,300 for the previous 5 financial years. The estimated tax base had been confirmed as 391 Band D equivalent dwellings, making the Band D rate increase from £39.53 for 2022/23 to £41.75 (an increase of £2.22 per household per year). **Resolved:** Councillors agreed to the Chairman/Clerk signing the precept application for 2023/24 at £16,326.

88.4 BUDGET SETTING

No major expenditure pressures were forecast for the 2023/24 financial period, and no new high priority projects required funding from the precept or reserves. Traffic calming would be funded from \$106 highways monies, reserves where possible, or other sources of fundraising. Any other large projects would be funded from grant funding applied for or \$106 monies.

As part of the budget setting, Councillors agreed to accept the annual quote for dog bin emptying by TVBC for 2023/24 of £893, as there were no other options to consider in the vicinity and this was a valuable service.

Councillors also agreed to accept the annual quote for grounds maintenance (grass cutting) on KGV and Dean Rise field by TVBC of £1,022.39.

Resolved: Councillors agreed the budget for 2023/24 as below.
